

AUGUST NEWSLETTER

BIRTHDAY LADIES

Congratulations to Ivy and Kath who celebrated their birthdays earlier this month.

KAREN'S KORNER

- It's all go again here at Kepplegate! We have been moving furniture around and, as the office is so cramped, some of us have been relegated to the flat upstairs! So, if you don't see us—just ask and we'll come down to see you. We are having a new telephone system installed which means we will have two lines coming into the Home and there will also be an automatic door intercom system for added security.
- Congratulations to Pauline who passed her NVQ 4 in Management last month.
- Please join me in welcoming our new staff— Clare, Stacey and Nina.

AUGUST BANK HOLIDAY CELEBRATIONS

Please try to support us on **Saturday, Sunday & Monday the 28th, 29th & 30th August** when we will (hopefully, weather permitting!) be holding garden parties. Our itineraries for the three days are now organised. We have a **Punch & Judy** magic show on Saturday, **Pilling Band** on Sunday and the **Over Wyre**

Cloggers on Monday. Other entertainment includes singing and dancing by various groups and individuals. We are being joined by the Mayor & Mayoress of Wyre on Monday and the Mayor of Preesall on Sunday.

Refreshments will be served and on Monday we are having a barbeque. We'd be very happy to welcome you and even happier if any of you could spare a few minutes on any of the days to help serve teas & coffees!!!

Interesting Snippet!

From "Care Aware":
'According to scientists, we are most content only when we hit 74 due to a combination of fewer responsibilities and financial worries and having more time to ourself, they say. But this happiness scale appears to be a peculiarly British phenomenon, the German Institute for Economic Research found!!
